

# *¡Gracias 2014!*

## **Small Group**

Our group is growing; we have 10 faithful people participating with us and 5 more that come occasionally. We already have a place where we will be meeting in 2015. For us is a blessing to see how God is challenging our people.

## **Club Motagua**

It is one of the most important soccer teams in Honduras .About two months ago, one of the coaches called us to pastor the kids between 10 and 17 years old that play for Motagua`s minor league, over 150 teenagers, they receive a lesson every day before every training once a week. Although it is just a beginning, the challenge is great and right now it is only us as a family to respond to it. Our goal is to form a team that can work in offering a better chaplaincy to these guys and their families. Starting in 2015, these kids will start training in the same place where we will have our meetings.

***God is faithful! Just like He provided daily to the people of Israel in the desert, we have seen his hand in our favor. Thanks to many of you for your offerings! We are also continuing in doing our part..***

### **Cooking**

We are planning on selling home made meals once a week to raise funds for our family and ministry.

### ***"Empirical Carpenters"***

In our challenge to set up our home, we found an opportunity to recycle wood pallets, modify them and make some furniture. We also see this as an opportunity to raise funds and bless others with a job. Pastor Alex Fearon, who has embraced us as children, has made available a shop so we can take on this project. The bookshelf was our test.

Our baby is doing well! Dulce has a very normal life, except that her belly is growing and the little man expresses himself with kicks that sometimes surprise his mom. We are excited to know that in two months we will be receiving our beloved son. It is also an experience every day, to think we need God's guidance to be able to be good parents, this kid will awake in us unknown talents and will definitely bring us closer to God..

### **Prayer requests**

- ❖ Our son's arrival, may God provides everything that's needed.
- ❖ 2015's challenges.
- ❖ Contact with local churches.
- ❖ The place we will have our base.
- ❖ YWAM trainings.
- ❖ Sponsors for our family and ministry.
- ❖ A vehicle.

***For all this, we need your involvement. Join us in prayer for these things and sharing them with others. Send us a message every now and then telling us how you are doing, this shortens distances. You can also bless us with an offering.***
